

# BREED HEALTH SURVEY 2018

## Please participate

The **Kennel Club** is developing **Breed Health and Conservation Plans (BHCPs)** for all registered dog breeds to ensure that health concerns are identified through evidence-based criteria. This will ensure breeders have useful information and resources to support them in making balanced breeding decisions in the future.

**Irish Wolfhounds** are in the next round of breeds identified by the KC for this project so **we are inviting ALL OWNERS to complete this simple survey**, to provide the KC with an up to date and accurate snapshot of the breed's current health status.

**The survey is anonymous** and your answers, along with other sources of scientific evidence, will provide important data for our BHCP.

Please go to this link to enter your dog's information:

<https://goo.gl/forms/zCyBamzgAj7PNxHw1>

**For Breeders**, please complete the Breed Health Survey, but in addition, please also complete this additional survey specifically about your breeding experiences over the last 10 years:

<https://goo.gl/forms/pV33wWrmlC2ave2o2>

**THIS SURVEY WILL CLOSE AT MIDNIGHT ON FRIDAY 21<sup>ST</sup> SEPTEMBER**
