

Irish Wolfhound Club Championship Show

40th Anniversary

Friday 30th March 2018

Judge- Ian Sexton

I would like to thank the committee of the Irish Wolfhound Club for allowing me the Honour of Judging their 40th Anniversary Show, I would also like to thank all exhibitors from home and abroad for their wonderful entry, I thoroughly enjoyed my day.

MPD (7) 4

1st. Mrs A S Macaulay's Ashgroave Foraster Via Gartlove (NAF TAF).

At just 6 months old a very promising puppy, balanced, well boned and substantial throughout, typical head of the correct proportions, strong muzzle and a dark eye, correct bite. Long neck, well laid shoulders and a deep chest, ribs well sprung and carried well back, correct length of loin, well constructed rear quarters, with well bent stifles and low hocks, correct feet, good coat texture. He moved soundly coming and going and strode out in profile. **Best Puppy Dog.**

2nd. Ms J Braine's Hollyhenge Black Russian.

Another 6 month old, black with white tips, lovely head, dark eye and ears well set and carried, long neck, well laid shoulders and the correct amount of width across his fore chest. Deep chest and ribs well sprung, topline correct and nicely angulated rear quarters, coat of the correct texture. Nicely angulated rear quarters and low set hocks, his front movement was a little unsettled today and I just preferred the movement of the first placed puppy.

3rd. Mr K & Miss M Evans-Jones & Halsall's Valheru Rhagnar.

A 7 month old, tall and raw at the moment but showing a great deal of promise for the future, masculine and well boned, head and muzzle of the correct proportions, dark eyes and the correct bite and dentition. Long strong neck, well laid back shoulders and a deep chest, ribs well sprung and carried well back, correct length of loin and broad thighs, good feet, movement a little erratic at the moment, correct coat texture, this puppy can only improve with age and maturity.

PD (1)

1st. Miss A & Mr L Webb & Simmons, Lonnkyle Paladin at Foinaven (IMP CAN).

An 11 moth old, looking a little heavy over his shoulders at the moment, well grown for his age, masculine and well boned throughout. A broad skull and a strong muzzle, powerful neck, well laid shoulders, topline correct and a deep chest, ribs carried well back and the correct length of loin. Broad muscular thighs, correct coat texture, I would have preferred more bend of stifle, movement a little unsettled when coming on.

ID (7) 4

1st. Mrs T A Appleyards Bonafortes Odysey.

A 17 month old having a very shapely and typical outline, balanced and in proportion, masculine head and muzzle, dark eyes and the correct bite. Ears carried correctly, long strong neck and well laid back shoulder blades, front legs straight with a slight bend to his pasterns, deep chest and well sprung rib cage, ribs carried well back and the correct length of loin. Correct topline and strong well angulated rear quarters, his movement was sound and true coming and going and showed reach and drive in profile, coat of the correct texture, well handled and presented, I am sure he has a promising future ahead.

2nd. Dr PP & Miss S Das Purkayastha's Ballyphelan Asansol Among Neckrebagh.

Just turned 12 months old, a dark grey brindle, substantial throughout with good bone and substance, broad skull and correct length of muzzle, dark eyes and the correct bite. Long powerful neck, good width across his fore chest, deep chest and well-sprung ribcage, ribs carried well back. Strong rear quarters with broad muscular thighs, good bend of stifle, correct feet, he moved soundly with reach and drive.

3rd. Mrs D Hanlon's Ranfurly Prince.

Another one just over the 12-month mark and new to the junior class, I would prefer more overall size and substance, head long, strong muzzle and a dark eye. Neck of the correct length, well laid shoulders, deep chest and a well sprung ribcage, topline correct, a little steep in croup and I would prefer more bend of stifle.

YD (11) 9

This was a strong class full of quality and promising young males.

1st. Mr & Mrs D Redfern's Goldswift Fluke at Rainster.

An 18-month-old brindle, showing excellent breed type being balanced and in proportion, strong masculine head and muzzle, dark eyes and well set ears. Strong neck, well laid shoulder blades, straight front legs and a slight bend to his pasterns. Deep chest, ribs carried well back and a strong loin, broad muscular thighs and nicely bent stifles, good feet, coat of the correct texture he moved soundly and showed reach and drive in profile, a little hesitant on the day but this will improve with maturity.

2nd. Mr S Ritchie's Broughadowey Raiden at Torfionn.

A 22-month-old grey brindle, masculine head, well set ears, dark eyes and a gentle expression, broad strong muzzle. Neck strong and well set-on, well laid shoulders blades and a deep brisket, ribcage well sprung and ribs carried well back, correct topline, nicely bent stifles, coat of the correct texture, good feet and his movement was sound and true with reach and in profile.

3rd. Miss J M Littlefair's Goldswift Phoenix Kiss.

Another promising youngster and the litter brother to the first placed dog, being strong with substance, head of the correct proportions, strong muzzle, dark eyes and the correct bite and dentition. Long elegant neck, well set-on, well laid shoulders, correct topline, deep chest, well sprung rib cage and ribs carried well back, strong loin of the correct length. Broad loins and nicely bent stifles, correct coat texture.

ND (4)

1st. Miss J M Littlefair's Goldswift Phoenix Kiss.

2nd. J Plachcinski's Austonley's Cantona OOH AHH.

A 19 month old brindle, well grown for his age, substantial throughout, head of the correct proportions, strong muzzle of the correct length, dark eyes, ears correctly set, he has a long powerful neck and well laid shoulders, good return of upper arm and a deep chest, ribcage well sprung and carried well back, topline correct and a strong loin. He has broad well-muscled thighs and nicely bent stifles, correct feet. He moved soundly but I just preferred the more positive movement of the first placed dog.

3rd. Mr & Mrs Sibley's Milish The Mighty.

A 2-year-old grey brindle, broad skull and I would prefer a broader strong muzzle, ears well set and carried, powerful neck, I would prefer more return of upper arm. Deep brisket, ribs well sprung and carried well back. Topline correct, broad muscular thighs Looks a little square and unbalanced, he moved OK.

PG (9) 7

1st. Mrs P A & Mr P V Pask's Amarach Aaron of Baronglen.

A 2 year old grey brindle, very typical and of the correct size and substance for the breed. Head of the correct proportions, skull and muzzle strong and powerful, dark eyes and ears well set and carried correctly he has the correct bite and dentition. Long powerful neck, well laid back shoulders, deep chest and ribs correctly sprung and carried well back giving the correct length of loin. Back and topline correct, coat of the correct texture, broad and muscular thighs, strong second thighs and low set hocks, correct feet. His movement was very true and sound coming and going and showed reach and drive in profile. Although not yet fully mature this is a dog that should go on to win well and I look forward to watching his progress, **CC, Best Opposite Sex and RBIS.**

2nd. Mrs Ahrend's Appropriate Boccaccio (ATC AU02900DE).

A 2-year-old brindle with white tipped feet and tail, I preferred the head of the first placed dog, but he has a skull that is not too broad and a strong muzzle, dark eyes and well set ears. Strong powerful neck, well laid

shoulders, deep chest and a well-sprung ribcage, ribs carried well back and powerful rear quarters, with broad muscular thighs. Topline correct, strong rear quarters and nicely bent stifles, his movement was sound and true and he showed good reach and drive in profile, **RCC**.

3rd. Misses S A K & Mr L Surrell, Coleman & Simmons's Lonnkyle Pilgrim At Bokra (IMP CAN).

A 2-year-old grey brindle with white tips to his feet and tail, he shows all of the attributes of the breed but I would prefer more overall size and substance, head of the correct proportion, dark eyes and the correct bite. Strong neck, well laid shoulders, deep brisket, ribs well sprung and carried well back, strong rear quarters with nicely bent stifles and low set hocks, he moved well being sound and true showing reach and drive when moving around the ring.

Mid Limit (4) 2

1st. Ms C A Lockett's Amarach Ainle.

A 2 year old grey brindle, typical in outline, balanced and in proportion, head of the correct proportion, powerful skull and muzzle, well set and carried ears, long strong neck, well laid shoulders, I would prefer more return of upper arm, deep chest and well sprung rib cage, ribs carried well back, strong loin of the correct length, powerful rear quarters, low set hocks, and the correct feet, he moved soundly coming and going with reach and drive in profile.

2nd. Mrs s Dawson's Stonestorm Apache Dream of Shalico.

A 4-year-old brindle and another substantial and well boned male, I preferred the head and ears of the first placed dog, he has a long strong neck, well laid shoulders and a deep chest, well sprung rib cage and ribs carried well back, strong loin of the correct length. Broad, powerful and muscular thighs, muscular second thighs and low set hocks, correct feet and the correct coat texture. His movement was sound and true showing reach and drive in profile.

LD (7) 5

1st. Mrs M K Addington's Ravensbeeche Comitas of Wolvebrigg.

A 4-year-old grey brindle, well grown and substantial, head of the correct proportions dark eyes and the correct bite, correct ear carriage, a long strong neck, well laid shoulders, deep brisket, ribs well sprung and carried well back allowing for the correct length of loin. Topline correct, broad muscular thighs and low set hocks, In-between coats at the moment but it is of the correct texture. Correct feet and his movement was sound and true coming and going, showing reach and drive in profile when moving around the ring.

2nd. Ms C Stirling's Clanlily Buscuail Of Cuinn.

A 2-year-old brindle, typical and upstanding male of the correct proportions, a balanced outline, head of the correct proportions and dark eyes and a strong muzzle. Long powerful neck, well laid shoulders, great depth to his chest and the correct spring of rib, rib cage carried well back, topline correct and broad muscular thighs and low set hocks, correct feet and his coat is of the correct texture. He moved soundly with reach and drive but carried his tail a little high.

3rd. Mrs D Treadwell's Glengail Ggilmour At Floydian.

At almost three year old a grey brindle and a little smaller than the two dogs placed in front of him, lovely head, of the correct proportions and ears well set and carried correctly, strong neck, well laid back shoulder blades and a deep brisket, correct width of fore chest and ribs well sprung. Rib cage carried well back and the correct length of loin, correct coat texture, broad thighs and nicely bent stifles, correct feet and his movement was sound and true showing reach and drive in profile.

OD (9)

1st. Ms C L Pinkney's CH Hydebeck Imperial Ruler JW.

A 4 year old grey brindle, balanced and proportion, a strong compact dog, excellent head, muzzle and a dark eye, strong powerful neck, well laid shoulder blades, deep brisket and ribs correctly sprung and carried well back, allowing for the correct length of loin. Broad and muscular thighs, low set hocks and the correct feet, coat of the correct texture, his movement was sound and true but in the challenge I just felt his topline was a little exaggerated.

2nd. Mr C & Mrs J Amoo's CH Sade Brutus.

A 2-year-old grey brindle, I didn't think he looked at his best today, and I would prefer a better ear carriage, head of the correct proportions, dark eyes and a strong muzzle. Long strong neck, well laid shoulders, good return of upper arm and a deep chest, well sprung rib cage and ribs carried well back. Correct back and topline, powerful rear quarters with broad muscular thighs and low set hocks, coat of the correct texture, his movement was sound and true showing reach and drive in profile.

3rd. Mr F & F Maison & Freitas's Labyrinth Du Grand Chien De Culann (ATC AU0222FRA).

At just over 2 years old I felt he lacked maturity but has all the qualities needed to become a fine example of the breed. He has a very handsome and well-constructed head and muzzle, dark eyes and the correct bite. Ears set and carried correctly, long strong neck, well laid shoulder blades and good return of upper arm. Well-boned legs and correct feet, topline correct and strong rear quarters with nicely bent stifles, coat of the correct texture. He moves very well being sound and true coming and going and showing activity and reach and drive in profile, very well handled and a very promising youngster and I will watch his progress in the future.

VD (3) 1

1st. Ms C Stirling's CH Clanlily Baron Of The Glen.

At 7 ½ year old he is still showing his breed typical qualities being balanced and in proportion, well boned and strong throughout, head of the correct

proportions with a strong muzzle, powerful neck, well laid shoulders and a deep brisket and a well sprung rib cage, ribs carried well back and a strong loin. Broad muscular thighs and low set hocks, coat of the correct texture, his age was showing when he moved but a fine example of the breed growing old gracefully, pleased to award him, **Best veteran In show.**

Veteran Bitch (7) 4

1st. Ms C Stirling's Clanlily Sky Of Diamonds.

A 7-year-old grey brindle and looking good for her age, balanced outline and in proportion without any exaggerations, substantial throughout, head long with a strong muzzle, dark eyes and a lovely expression. Long strong neck, well-laid shoulders and a deep chest, coat of the correct texture, well sprung rib cage and ribs carried well back with a strong loin. Powerful rear quarters with broad thighs and low set hocks. She moved steadily around the ring and was sound and true.

2nd. J & P Crawford and Poole's Tarlog Tiger Lilly From Marlaw.

An 8 ½ year old quality bitch but not the substance of the first placed bitch, balanced head, dark eye and the correct bite, long elegant neck, well laid shoulders and a deep chest, topline correct. Strong rear quarters and broad muscular thighs, correct feet, she is fit for her age and her movement was sound and true showing reach and drive in profile.

3rd. Mr K J & Mrs C J Broughton's Madiamoy Moon Dust Over Montisacre.

Another veteran approaching 8 ½ years old and it is great to see her out enjoying herself, a little smaller than the two bitches placed 1st and 2nd, head of the correct proportions, dark eyes and pigment, long strong neck, shoulders well laid back and a deep chest, topline correct and well bent stifles, feet correct, coat of the correct texture, she moved well for her age being sound and true.

MPB (8) 5

1st. Ms J Braine's Hollyhenge Carribean Kiss.

A 6 month old and she was a little naughty on the day and a challenge for her owner but she is full of quality being very typical with a balanced outline and in proportion. Quite mature for her age with strong head proportions but still feminine, strong muzzle and the correct bite, long powerful neck, well laid

shoulders, deep chest and well sprung rib cage, ribs carried well back, strong loin and the correct topline. Well-boned and substantial, with broad thighs and well bent stifles, feet of the correct shape and the correct coat texture. A promising youngster and she should have a bright future ahead, pleased to award her, **BEST PUPPY IN SHOW.**

2nd. Mrs P Ashby's Ashgroave Roma.

Another 6-month-old brindle coping well for her first show, substantial throughout with good bone and substance, head long and a strong muzzle and the correct bite. Dark eyes and good pigment, correct bite, long elegant neck, well laid shoulders and a deep chest, ribs carried well back and the correct length of loin, topline correct, strong rear quarters, broad thighs and low set hocks, her movement was sound and true, another promising youngster.

3rd. Mr K & Miss M Evans-Jones & Hasall's Valherudream Of Rhonabwy

A 7-month-old cream brindle, she has an excellent head of the correct proportions, ears carried correctly and a dark eye and the correct bite. Neck of the correct length, well boned throughout, well laid shoulders not quite as mature in body as the other two bitches placed before her but she only needs time to improve. Topline correct, rear quarters correct with nicely bent stifles, her movement was sound and true, another promising youngster for the future.

PB (2)

1st. Mr B & Mrs D J Mills Hollyhenge Fraise Fizz At Mocharraig.

A 6 month old grey brindle, litter sister to the minor puppy winner what a super litter the breeder must be very proud, naughty on the day and a challenge for her owner and handler, difficult to asses her properly but on closer examination she is a quality youngster that just needs some ring training. Head of the correct proportions, dark eyes and well set ears, elegant neck and well laid shoulders, correct topline, nicely angulated rear quarters, correct feet and coat texture, her movement was erratic but there were glimpses of what it could be and that is sound and true.

2nd. Mr D G & Mrs L D Ashton's Bonnies Sonas Of Madalinca.

An 11 month old red wheaten, well grown and substantial for her age, long head and a strong muzzle, dark eyes and the correct bite. Long powerful neck, well laid shoulders, deep chest and well sprung rib cage and ribs carried well back. Her topline is correct, strong and powerful rear quarters with nicely bent stifles, moved erratically.

JB (6) 4

1st. Mrs M K Addington's Wolfhouse Davinia Of Wolvebrigg.

A 12 month old grey brindle, showing the correct typical outline for the breed, good overall length, head of the correct proportions, dark eyes and pigment, ears carried correctly, long elegant neck, well boned throughout with well laid shoulders, deep chest and well sprung rib cage, ribs carried well back and a strong loin of the correct length. Nicely angulated rear quarters, low set hocks and correct feet. Her movement was sound and true showing reach and drive in profile.

2nd. Mrs A Fox's Nebraska Ionmhain Norman At Newdigate (IMP FRA).

A 13 month old bitch of substantial proportions, long head, strong muzzle, well set ears and a long strong neck, well laid shoulders, deep chest, ribs carried well back, correct topline, and powerful rear quarters, I would have preferred a little more bend of stifle, correct feet and her movement was sound and true.

3rd. Mrs A E & Mr K Campbell-Woodfords's Kilmacduagh Aednat.

A 12 month old bitch, smaller and finer than the first and second placed bitches, a little unsettled on the day and just needs more confidence, feminine head, dark eyes and the correct bite. Elegant neck, shoulders laid back and the correct topline, depth of body will come with maturity, nicely angulated rear quarters and correct feet, she moved a little erratically but was sound coming and going.

YB (11) 9

1st. Mrs & Dr C Sheppard's Goldswift Enchanted Legacy.

An 18-month-old red brindle with a typical breed outline, I was pleased to find out that she is the litter sister to the YD winner and another super litter, she is balanced and in proportion, substantial but still feminine, long head of the correct proportions, strong muzzle, dark eyes and the correct bite. Ears well set and carried correctly, long elegant neck, shoulder blades well laid back, deep chest, correct spring of rib and ribcage carried well back, correct length of loin and topline strong with the correct rise over her loin. Broad thighs well muscled and low set hocks and correct feet, coat of the correct texture, she moved soundly showing reach and drive in profile.

2nd. Mrs M L Severn Kumar's Goldswift Destiny Of Gaelmarque.

Litter sister to the first placed bitch, similar but not quite as well balanced having a slightly shorter neck, another bitch with an excellent head being long and well balanced, strong muzzle, dark eyes and pigment and having correctly carried ears and the correct bite and dentition. Nicely angulated front and rear quarters, correct feet and the correct coat texture. Deep chest and well-sprung ribcage, ribs carried well back and the correct length of loin. Her movement was sound and true, showing reach and drive in profile.

3rd. Mrs L & Mr A Porter's Lindall Passion.

A 19 month old bitch and another promising youngster with lots to like, head long and of the correct proportions, ears well set and carried correctly, dark eyes and pigment, correct bite and dentition. Substantial and well boned throughout, coat of the correct texture, topline correct and nicely angulated

rear quarters, correct feet, she was sound coming and going and moved around the ring with reach and drive.

NB (6) 5

1st. Mrs & Dr C Sheppard's Goldswift Enchanted Legacy.

2nd. Mrs A Fox's Nebraska Ionmhain Norman At Newdigate (IMP FRA).

3rd. Mr D Malone's Barachois Mellow Yellow.

A 2 year old grey brindle, looking a little square in outline but she has obvious qualities, head of the correct proportions, dark eyes, strong muzzle and the correct bite, long strong neck, well laid shoulders and a deep chest, well sprung ribcage and ribs carried well back, coat of the correct texture. Broad strong thighs and nicely bent stifles, correct feet, she moved soundly showing reach and drive.

PG (6)

1st. MS C L Pinkney's Hydebeck Ruler Of the Stars JW.

A 2 year 7 month old grey brindle, a quality bitch, being balanced, in proportion a typical outline for the breed. Substantial and well boned throughout, lovely head proportions, well set ears, dark eyes giving a lovely soft expression, strong muzzle. Long elegant and strong neck, well laid shoulders, return of upper arm, straight legs, deep chest with the correct spring of rib, ribs carried well back and a strong loin of the correct length. Her movement was sound and true and she showed reach and drive from the rear when moving around the ring.

2nd. Ms C Stirling's Clanlily Wishing On a Star.

At 2 years 3 month a grey brindle and another quality bitch, lovely head, long strong muzzle, dark eyes, correct ear set and the correct bite. Long strong neck, straight front legs and correct feet, shoulders well laid back. Deep chest and correct length of loin, topline correct, and strong rear quarters with broad muscular thighs, correct bend of stifle and low set hocks, coat of the correct texture she moved soundly with reach and drive.

3rd. Mr S Forret's Morgana Della Bassa Pavese At Culvercroft (IMP ITA).

A grey brindle at 2years 3 months old, a typical and balanced outline for the breed, head of the correct proportions, dark eyes and a lovely soft expression, correct bite and dentition, long strong neck, well laid shoulder blades, deep

brisket and ribs well sprung, correct length of loin and topline correct. Strong rear quarters with broad loins, well bent stifles and low set hocks, she moved soundly with reach and drive.

ML (4) 3

1st. Mrs D Treadwell's Glengail Ggeraldine At Floydian.

At almost 3 years old a grey brindle, mature and honest bitch, substantial and well boned throughout, correct outline for the breed balanced and in proportion, head of the correct proportions being long with a strong muzzle, dark eyes and the correct bite and dentition. Long strong neck, well laid shoulders and a deep chest, well sprung rib cage and ribs carried well back, strong loin and the correct topline, strong rear quarters, broad muscular thighs and low set hocks, correct feet and her coat was in good condition with the correct texture, she moved soundly with reach and drive in profile.

2nd. Mrs S Wilkinson's Jessica Kate Roan Inish IKC ShCM.

A 4 year old grey brindle, correct size and substance for the breed, balanced and in proportion, correct head, dark eyes and a gentle expression, long strong neck, shoulders well laid back, correct back and topline, deep chest, well sprung rib cage and ribs carried well back, deep strong loin and powerful rear quarters with the correct amount of bend to her stifle. She moved soundly with reach and drive in profile.

3rd. Mrs M K Addington's, Arwen Feebee's Home Of Wolvebrigg.

A 3 ½ year old grey brindle bitch, smaller than the bitches placed first and second but a feminine bitch with balanced proportions, lovely head, dark eyes, ears well set and carried correctly she has a lovely gentle expression. Coat in good condition and of the correct texture, strong neck, well laid shoulders, deep chest and ribs carried well back, correct topline and a strong loin. Nicely angulated rear quarters and low set hocks, she moved steadily with reach in profile.

LB (5)

1st. Mr S Bradley's Glengail Gwendolyn.

Pleased to see the litter sister was first in ML two lovely sisters, she is three years old and a tall grey brindle, showing a balanced and proportionate breed typical outline, head long with the correct head and muzzle, dark eyes and the correct bite, ears well set and carried correctly, long strong neck, well laid shoulder blades and a deep brisket, ribs carried well back with the correct length of loin and a nice gradual sweep to her underline, strong and muscular rear quarters, low set hocks, coat of the correct texture and she moved with reach and drive in profile.

2nd. Ms C Stirling's Clanlily Million dollar Gem.

A three year old red brindle, of the correct size and substance for the breed, long head and correct skull and muzzle, dark eyes and ears well set and carried correctly, strong neck, shoulders well laid back, well sprung rib cage and a strong loin, topline correct and powerful rear quarters, well bent stifles and low set hocks, her move movement was sound and true.

3rd. Mrs S Wilkinson's Conmeryl Merriment Over Hunacres ShCM.

A 4 year old grey brindle, not the size of the first and second placed bitches but showing a typical outline, balanced and in proportion, head of the correct

proportions, dark eyes and correct ear set. Neck strong and of the correct length, shoulders well laid, topline correct, deep chest and the correct length of loin, coat texture correct, strong rear quarters, low set hocks and correct feet, she moved steadily around the ring showing reach and drive.

OB (10) 7

1st. Mr C & Mrs J Amoo's CH Sade Prudence.

A 2 year old bitch, not yet fully mature so there is more to come! An outstanding example of the breed, balanced and in proportion, feminine but substantial throughout, excellent head and muzzle of the correct proportions, dark eyes and pigment, ears carried as they should be and well set. Elegant strong neck of the correct length, she has well laid back shoulder blades and a return of upper arm (much lacking in the breed). Deep chest giving plenty of heart room, correct spring of rib and rib cage carried well back, a gentle rise in her underline and a strong loin. Strong rear quarters, broad muscular thighs, nicely bent stifles and low set hocks, coat in good condition and of the correct texture, her movement is sound and true being easy and active as asked for in the standard, showing reach and drive in profile, she was handled and presented beautifully, very pleased to award her the **CC and BIS**.

2nd. Mr F & F Maison & Freitas's Jakarta Du Grand Chien De Culann WW2017 (ATC AU02228FRA).

At 3 years old another quality bitch, just felt she was a little steep in croup but this did not affect her overall balance or movement in any way, excellent head proportions and a strong muzzle, dark eyes and pigment, correct bite and

dentition, elegant strong neck, well laid shoulders and a deep chest, correct spring of rib and rib cage carried well back, a gentle rise to her underline and the correct length of loin. Broad muscular thighs and strong low set hocks, correct feet, coat in good condition having the correct texture. Her movement was easy and active, showing reach and drive in profile and was well handled and presented, pleased to award her the **RCC**.

3rd. Mrs D E Tebbutt's Brachan Dolig wen Caredig.

A 3 year old grey brindle, typical in outline balanced and in proportion, head correct with a strong muzzle, dark eyes and a gentle expression, ears carried correctly, long elegant neck, deep chest, ribs carried well back and a strong loin, topline correct and strong rear quarters with muscular broad thighs, low set hocks and correct feet. She moved with great activity showing reach and drive in profile.
