11 month old, Classic head, strong neck into a good shoulder, nice topline into good fall away has hit that leggy stage and will need time to body up and fill out, moved out well with good parallel movement, good feet.

2<sup>nd</sup>            **Mr A Lefley HYDEBECK IMPERIAL COMANDER OF NICSAR**  
Lovely substance and bone, great ribbing masculine, more balanced than one and of a good type, shown on a tight lead which made him very unhappy and sadly cost him first place.

1<sup>st</sup>            **Mr P N & Mrs A H Vaudin FEARGHAS REALLY IRISH IN TORTEVAL (IMP CZE)**

This hound really grew on me, the more I watched him the more I liked him not the biggest but there is something very honest about this dog hound, has the most wonderful head and expression, good strong neck into good shoulder

and upper arm placements , nice fore chest, lovely ribbing and topline, very balanced in super muscular condition which has balled him up a little on his blades, also possibly maybe the cause of his loin looking more shallow than it is, as its so muscled, also lacking some furnishings here. The most super angulation to stifle, with width to second thigh he drove out so powerfully, ground eating when moving I really liked him **Reserve Best Dog.**

2<sup>nd</sup> Mrs G Griffin KILREIN RED RUIN

The most stunning head, could have stepped out of an old oil painting, of excellent type, good substance and bone, lovely ribbing super coat quality and colour, but not moving as well as one today.

1<sup>st</sup> Mrs H Barnes HAZIANNE TOTAL ECLIPSE

If there was a prize for “Type” for me this lovely dog hound would of won it, Masculine head with the most wonderful gentle expression, lovely angulation to his neck, super bone and substance stood over a lot of ground, the word imposing certainly applies, I thought him superb not faultless no hound is, but a wonderful ambassador of this breed, and in fine fettle for his age, amazed to find out after judging that he is the father of my Best In Show and related to my RBIS. A lovely gentleman that I could have happily taken home. Best Veteran.

1<sup>st</sup> MS CA LOCKETT AMARACH AILISE DE CAVERSMILL

8 year old bitch the most beautiful of heads classic and feminine with such a gentle eye, lovely neck into a good shoulder, good topline and underline very balanced in length to height, moved out very well considering age and heat, just fell for her gorgeous head expression and outline.

2<sup>nd</sup> MRS JE PAIN RAVENSBEECH CIMMARON

9 year old bitch who I have so admired before, lovely head, super neck into good shoulder and upper arm, lovely topline, into the best of stifles width to second thigh lovely hock set, crisp jacket moved with such drive for her age and better than some of the younger hounds, such width on the back end, a gorgeous bitch, but the 1<sup>st</sup>,s expression had captured me.

3<sup>rd</sup> MISS MARSHALL CLANLILY NORTHERN LIGHTS

Cls 11 Minor Puppy Bitch 3 0 3

1<sup>st</sup> MR MRS GOODSON RAVENSBEECH CAMINA AT MORLACH

Lovely chunky puppy bitch of a super type, has substance and bone, so important to have as a puppy, longer cast than her sister, good neck set into a lovely shoulder and return of upper arm, ribbing well back, correct angulations to stifle with width of thigh and second thigh nice let down fluid hocks and my she really drove out on the move, such width on the back end, covers lots of ground. **BEST PUPPY**

2<sup>nd</sup> MRS J PAIN RAVENSBEECH CARITAS

Litter sister to one, and I had to split hairs much of the same comments apply not as heavy in bone as litter sister but has plenty, perhaps a touch more feminine, moved out so well, just liked the ground her litter sister covered on the day. No doubt they will swop around often.

Just over one year of age, Dark Bitch beautiful head and a dark eye, good ear set, lovely neck which flowed into a good shoulder placement and return to upper arm allowing fore chest correct length to height ratio very balanced, good pelvis set

which allowed correct angulations to stifle with width to thigh and second thigh into well let down fluid hocks, came into her own when moving, she drove out so soundly with good forward reach and lovely drive from hip to hock, super width on back end, so very sound, the more I moved her the more I liked her a worthy RBB and **RESERVE BEST IN SHOW**. I understand she is niece of my best bitch and Best in Show Very promising young lady indeed.
